2024-2025 Satisfactory Academic Progress Appeal Form

Federal regulations do not require that a school allow students an opportunity to appeal an unsatisfactory status decision. Dickinson College has chosen to exercise the ability to use professional judgement and review appeals for reinstatement of aid for no more than one term of probation during their education.

The Satisfactory Academic Progress (SAP) appeal process requires the completion of this document, with a letter of appeal attached, and supporting documentation. This application and all attachments must be submitted to the Financial Aid Office via email to finaid@dickinson.edu. You must meet with the Advising Office before completing this form. Once your completed appeal is submitted, the Appeals Committee will review your request and a determination will be made.
