

Yellow Bears Week of: May 12-16, 2025

THURSDAY IS TRIKE-A-THON! Please see email with special details from the office.
Thank you!

	Theme: Bugs and Gardening			Focus Question: What bugs do you see around a garden?	
	Monday	Tuesday	Wednesday	Thursday	Friday
Song, Poem Rhyme	Baby Bumble Bee	Herman the Worm	The Ants Go Marching	5 Little Lady Bugs	Move like bugs to music
Preschool readiness activity	What is a bug? List characteristics	Create worms using linking cubes	Lady Bug Dot Counting Game		Flight of the Bumble Bee "Hot Potato"
Read Aloud	<u>The Fly Flew In</u>		<u>Grouchy Lady Bug</u>		<u>I Know An Old Lady Who Swallowed A Fly</u>
Morning Small Group Centers	Sensory Table: Sand/dirt with bugs, tweezers, etc. GO ON A BUG HUNT OUTSIDE!				
	Fly Swatter Painting	Coloring a worm the same color as the one that was created at circle time with the linking cubes	Worm paintings: dip rubber worms into paint and drag across the green paper	TRIKE-A-THON RIDE 10:30-10:55	Creating Lady bugs: placing dots on with fingerprints
		Math Center: Ant Counting game		Fine Motor Center: "Ants in the Pants" game	
		Bug patterns with pattern blocks	Playdough Bugs		Ant counting game
Social Emotional Development	Focus: Feeling Scared! Bugs/insects tend to be scary to some children. The attached article has home good techniques to help your child work through expressing this feeling and you may be able to help diminish the fear of bugs/insects.				
Family Partnership	Go on Bug Hunts at home; feel free to bring unique bugs IN A BUG CATCHER to show the class!				
Wow! Experience	Math: counting, symmetry, patterns
