

# Yellow Bears Week of: May 19-23, 2025

	Theme: Fun in the Sun & Sun Safety		Focus Question: How do we have fun in the sun safely?		
	Monday	Tuesday: TRIKE-A-THON: 10:30-10:55	Wednesday	Thursday	Friday
Song, Poem Rhyme	Ants Go Marching	Baby Bumble Bee	Shoo Fly	Herman The Worm	Mr. Sun
Preschool readiness activity	What do we know about being safe in the sun: write responses as the rays around the circle	Talk about the seasonal changes and clothing for summer	What are some fun things to do or play outside in the warm summer sun?	Sun Safety video: YouTube: Sun Safe Play Everyday!	What Changes in the sun? Experiment: Place objects in a muffin pan & place in the sun during naptime
Read Aloud	<u>What is the Sun?</u>	<u>Sun Up, Sun Down</u>	<u>Sun Dog</u>	<u>Pete the Cat Goes to the Beach</u>	<u>Should I Share My Ice Cream (Mo Willems)</u>
Morning Small Group Centers	Shade Game Outside: kids run to a place that is shaded on the playground and freeze		Make Sunscreen print: Sunscreen handprint on dark paper, place in sun...What happens?	Make Shade pictures: Place a toy animal or object on dark paper, let sun create a shadow, then trace it.	Trace our shadows on the sidewalk: Fill them in with chalk
	Counting Sun Rays: dice, orange paper sunrays, yellow sun		Beach Dramatic Play		Make playdough ice cream
	"Ants Go on a Picnic" counting game	"I Spy" card Game	Legos	Weather/ Clothing matching game	"I Spy" card game
	Make a Visor: Paper Plate, stickers, markers		Make A Sun: Orange and yellow handprints, glue construction paper circle onto handprints		Paint Suns using water color
Family Partnership	Talk about what you do at home that keeps you safe in the sun!				
Wow! Experience	Sun Safety! Please be sure to have your child's bike helmet at DCCC on Tuesday, May 20th for the Trike-A-Thon! Be sure to review & follow the details stated in an email from the office. Thank you.
