

# RESEARCH AT IMBHR SUMMER EXPERIENCE (RISE)

## Applications Now Open!

The Institute for Mental and Behavioral Health Research (IMBHR) at Nationwide Children's Hospital is delighted to announce the 2026 RISE program starting this June. **RISE is a full-time, mentored summer research program for advanced undergraduates and graduate students interested in mental health and/or substance use research**, as well as those in transitions (recently graduated with a degree). The program emphasizes training and mentorship for motivated students, particularly from backgrounds underrepresented in psychology and medicine. Click below for more information on our IMBHR website!

**Program Dates:** June 2 - August 8, 2026 (10 weeks)

**Application Deadline:** March 1, 2026 at 11:59 p.m. EST

**Funding:** \$16-20 per hour, depending on level of experience, for 40 hours per week, possibility for national conference registration coverage

**Eligibility:** Enrolled in undergraduate, graduate or medical school, or a recent graduate
