

NATIONAL COMING OUT DAY 2013

ALLY SUPPORT LIST

"We, the undersigned students, faculty, staff, alumni, organizations, families, and local community members, are all part of the Dickinson College community. We are proud lesbian, gay, bisexual, transgender, queer, questioning, intersex, asexual and allied people who make this community strong. We support LGBTQQIA individuals by advocating for equal rights, full inclusion, and a safe climate. In commitment to inclusive excellence, we are cultivating an environment where diversity is appreciated and respected. We come together as a community to recognize National Coming Out Day 2013."
