Beautiful Rainbow Came

One day the sun was shining bright (hold up right hand like blocking sunlight)

But some clouds came along and it became black as night

(Hold up left hand for the clouds)

Then the rain began to sprinkle onto the ground

(wiggle fingers for the rain coming down)

And soon it was raining all over the town.

But when the clouds had passed on by (move both hands to one side)

A big beautiful rainbow stretched across the sky

(make a rainbow arc with your hands)
