

Blue Bees Lesson Plan

Theme: Eggs, Eggs, Eggs

Date: April 14-18

Objectives and Goals: We will talk about eggs, Where do they come from, and what kinds of animals hatch from eggs. We will have fun coloring eggs and tasting eggs. (Who likes egg salad?)

Parental Information: Please bring four hardboiled eggs for your child by Thursday. (We will use one egg for the egg salad on Thursday and we will color the other three on Friday.) ****Wednesday – Conferences****

	Monday	Tuesday	Wednesday (Blue Bees conferences)	Thursday	Friday
Large Motor Activity / Skills	Peddling bikes 10.4.1	Dance with scarves 9.2.1	Musical parade outside on the playground	Plastic egg toss. Can you catch the egg?	Look for hidden eggs outside if the weather is good, in the big room if we have rain or to cold.

Ethel's Eggs

Ethel was a hen who laid ten eggs (hold up ten fingers)

Each chick hatched and had two legs (make an egg with hand then hold up two fingers)

They would play and have their fun (hold up ten fingers and wiggle them)

But when Ethel called, they would come, come, come (motion in a come here motion)
