EyeMed
VISION CARE®

Millions are diagnosed annually with vision problems.

HealthAmerica understands that proper vision care is extremely important. That's why we offer our members a value-added vision discount program through **The Vision One Eyecare Program®**. It offers immediate savings on your eye care needs including eye exams, eyeglass frames, and lenses.*

Thousands of providers make it convenient for you.

National network locations include LensCrafters, Sears Optical, Target Optical, participating Pearle Vision locations, JCPenney Optical, and select independent doctors of optometry. Visit our website at www.healthamerica.cvt.com for a list of participating providers, or call EyeMed Vision Care at 1-866-211-2417.

Zero hassles make it easy to get care.

Simply present your HealthAmerica or HealthAssurance ID card to any EyeMed network provider to access **plan #9238874** and receive discounts on eyeglass lenses, frames, conventional lenses, and additional purchases such as tinting and UV coating.

Other program features include:

- Mail Order **contact lens program**.
- **LASIK discount** program. Call **1-877-5LASER6** for details.
- **No claim forms!** Use your discount as often as you want.

*Vision One Eyecare discounts cannot be used with vision benefits, in-store promotions or other discounts.

If you have health coverage through your employer, be sure to check with your benefits administrator for any additional benefits or discounts.
