¹Non-Pooled Assets include deferred gifts, endowment funds invested separately, pledges receivable, and funds held in trusts by others.

²Spending plus Inflation represents endowment outflows as a percentage of beginning market value plus CPI plus 1% per annum and may include estimates.

³Passive Benchmark represents 75% MSCI All Country World Index, 25% BofA Merrill Lynch US Treasury 7-10 Year Index.

⁴MSCI returns represent total return, including gross cash dividends, interest, and other earnings.

Important Notes and Disclosures

FYE = June 30. Past performance is not necessarily indicative of future results, and any investment described herein involves the risk of loss. Where there is an opportunity for gain, there is a risk of loss. Clients should compare this report to statements prepared by custodians and fund administrators.

Market values may include estimates, are unaudited, and may be subject to change. Such data are believed to be reliable, Investure provides no assurance as to its accuracy or completeness, and Investure is under no obligation to update the estimated information included herein. Totals may not sum due to rounding.

Except as otherwise specified, all return information contained herein includes reinvestments of interest, dividends, and other earnings and is net of underlying manager fees and expenses. In addition, Endowment Pool returns are net of Investure management fees, expenses, and accrued incentive fees, if any, for the current calendar year. Investure incentive fees are accrued on a one-month lag.

Returns through 4/30/2006 were provided by Dickinson College and have not been confirmed by Investure, LLC (“Investure”). All market value information for line items under the heading “Non-Pooled Assets” is provided by Dickinson College. Returns for periods less than 12 months are not annualized. Time-weighted returns for private partnerships are not necessarily indicative of investment performance in drawdown funds.

Any index or benchmark returns mentioned herein, are for discussion purposes only. Investure fund holdings and your portfolio's holdings may not resemble the composition, volatility, or risk of any such index or benchmark. There is no guarantee that any Investure fund or your portfolio as a whole will meet or exceed the index or benchmark or that any such index or benchmark is available for investment.
