Preferred medicine list **2016 Aetna Healthy ActionsSM** **Rx Savings Drug Class**

Drug class driven
05.03.402.1 D (10/15)

Making it easy to manage your health and wallet

If you have a chronic health condition, it's important to take your medicine just how your doctor tells you. Doing so can help you reach your best health.

The Aetna Healthy Actions Rx Savings program can help. With this program, your employer pays part of the cost for certain prescription medicine. So you can pay less.

This applies to certain drugs that treat the following conditions:

- Asthma
- Diabetes
- Hyperlipidemia
- Hypertension and heart disease

Depending on your pharmacy benefits plan design, you may get a discount for one or more eligible drugs. Eligible drugs are outlined below.

Category	Generic medicine		Brand-name medicine
Angiotensin-converting enzyme (ACE) inhibitors and combinations (hypertension and diabetes)	<i>benazepril</i>	<i>lisinopril</i>	None eligible

Please remember that this is not a complete list of medications covered under your plan. Because there are thousands of medications included in your pharmacy benefit, we only list the most common ones. Certain drugs such as those for smoking cessation or vitamins may not be covered by your particular pharmacy plan. Diabetic supplies may be covered under your medical plan. If you have any questions about your pharmacy benefits, please visit **www.aetna.com** and log in to your member website. If you don't have access to our website, call the Member Services number on your ID card.

To check coverage and copay information for a specific medicine, visit **www.aetna.com** and log in to your secure member website. For more details, please call the toll-free number on your member ID card.

Aetna Pharmacy Management refers to an internal business unit of Aetna Health Management, LLC.

This is not an inclusive list. Products that are not represented on this list may be subject to plan-specific copayment or coinsurance. Void where prohibited by law.

Specific prescription benefits plan design may not cover certain categories or may be subject to additional charges or restrictions, regardless of their appearance in this document.

Aetna may receive rebates, discounts and service fees from pharmaceutical manufacturers for certain listed products.

Your privacy is important to us. Our employees are trained regarding the appropriate way to handle your private health information. Information is believed to be accurate as of the production date; however, it is subject to change. For questions, please call the toll-free number on your member ID card.
