

The HealthSmart app brings you all your vital healthcare information straight to your fingertips and is now available for quick download in the App Store and Android markets.

### Get Connected with Your Healthcare

HealthSmart's mobile application (*My Flex Spending*) offers you access to personal healthcare information everywhere, at any time. This smartphone app is designed to help you use and manage healthcare coverage on the go. It features access to benefits information and other secure tools including:

- “ Access to Personal Account Details
- “ Ability to File Claims with Camera-Based Receipt Imaging
- “ Review Account Balances and Important Dates
- “ Get Text messaging Alerts for Balance and Transaction Inquiries
- “ Locate Convenient Customer Service Contact Information
