

Dickinson College Plan for the Responsible Conduct of Research
for those receiving National Science Foundation Grants
(Effective 4 January 2010)

"I

_____ <grantee>

have read the text and discussed the case studies in "On Being a Scientist"
published by the National Academy of Sciences (Third Edition) with

_____ <names of stu-
dents>.

We began our readings and discussions on _____ <start
date> and completed them on _____ <end date>."

Signed and dated by the grantee and students.
