Dear Supporters of the McAndrews Fund,

**WELCOME!** This year is the **25th Annual McAndrews Fund Golf Outing** and we are so glad you could join us. Each one of you is impacting and changing the lives of Dickinson student-athletes by being here today, and for that, you have my endless thanks.

The McAndrews Fund fuels a dynamic student-athlete experience, one that enriches the lives of students and teaches them not to be great at their sport, but better prepared for the game of life. Your support helps create future community leaders and gives them the world-class experience they deserve.

Thank you again for your continued generosity towards Dickinson Athletics and the Red Devils!

Always Wearin' the Red,

**Raeann Buskey**

*Director, McAndrews Fund for Athletics*
